The Men's & Women's Support races have been an integral part of the Bay Crits for many years.

In 2020 the races took a significant name change and became the Damion Drapac Trophy in honour of the brilliant young man that was tragically taken from us way too soon.

Damion tragically died in April 2019 in a cycling accident at Mt Waverley. Damion is missed by the entire Cycling community, and we are honoured to continue to commemorate his legacy with the Damion Drapac Trophy, we hope to ensure he will not be forgotten.
